None of the colour prices include a toner, this is an addition if needed.

We understand that you as a client may have a budget to work to and pride ourselves on price transparency. We offer a complimentary consultation to all new colour clients to ensure that you are booked in for the correct service and are being matched up with the correct stylist. A tailor made experience is designed for all clients and we can work to your budget and service needs, this being the reason that we have a tiered stylist level.
