Please note that all of our prices are based on the time that is booked out to accommodate each service and the amount of colour that is used. If you have hair that needs more time/additional product then you will be charged in addition to the prices above.

None of the colour prices include a toner, this is an addition if needed.

We understand that you may have a budget to work to and pride ourselves on price transparency. We offer a complimentary consultation to all new colour clients to ensure that you are booked in for the correct service and are being matched up with the correct stylist. A tailor made experience is designed for all clients and we can work to your budget and service needs, this being the reason that we have a tiered stylist level.

Our annual price increase always commences on the 1st April of each year.

Fringe trims that are booked on the day by existing clients of the salon will be free of charge, only pre booked fringe trims are charged for OR those that are done on a client that does not visit the salon for their cuts.

For children's prices, there is a discounted rate that our graduate stylists and academy provide, please contact us to book in.

If you wish to book in for a complimentary consultation, whether you are a new or existing client, please do not hesitate to contact us by phone 01275 846636 or by email info@elementshairandbeauty.co.uk.
